

Sample Schedule: Voyagers (5th-8th Grade)

Below is a sample schedule of activities for a typical week. All activities are geared to camper age and ability. Upper camp groups generally include 10-15 children and 2 staff members. Classes typically include art, sports, nature, music, Israeli adventure, and sports. Campers swim daily, with an instructional swim period in the morning where we focus on skill development and a free swim period in the afternoon where we focus on fun. Friday afternoons feature theme days, guest performers, and Shabbat celebrations with singing, challah and blessings. Campers are able to choose their own activities during the week so they can focus on areas they enjoy most.

		MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
